NOTES:

- The Pamana Awards celebration was introduced by Dr. Dely Alcantara, co-founder of FANHS RG to honor Filipinos and/or New Mexicans who have served the Filipino community in New Mexico and/or the Philippines.
- FANHS RG is the 20th chapter of FANHS founded in Sept. 1998. FANHS has 36 chapters as of 2019. Our chapter hosted the National FANHS Conference in 2012 at the Marriott Hotel, attended by members all over the US. In 2013, NO Pamana event was held. We took a break after hosting the National Conference. We gave only one award (Lifetime Achievement to Nita Pascual) which was integrated in the program.
- All Pamana events have souvenir programs (with write up of the awardees) to continue to document the history of Filipino Americans in New Mexico. Afterall, it is the people that make history.
